

AT JAYCEE'S CHARTER BANQUET — Looking over the new charter which was presented to the new Hamlin club are: left to right, Dick Wadsworth, state president; Jerry Howard, local president; Lewis Timberlake, national director - at - large; and Ernest Sears, vice president, Region 5. The banquet was held Friday evening at the high school gymnasium with nearly 300 persons present.

Jaycees Receive Charters Friday

"In a democracy, the people do not get the kind of government they want, but the kind they deserve" was the advice given to the Hamlin Junior Chamber of Commerce, the newest club in the state.

The speaker was Dick Wadsworth of Irving, the state Jaycee President, who spoke to the Hamlin Jaycees and their guests at their charter banquet Friday night at the Hamlin High School Gymnasium.

Speaking before a crowd of nearly 300, the president told the Jaycees that if the young people did not take an active part in the local community, state and national affairs they could not expect to have the type leadership they wanted.

The club was presented charters from the Texas Junior Chamber of Commerce, and the United States Junior Chamber of Commerce and the Junior Chamber International. Wadsworth pointed out that the Jaycees were a grass-roots organization and that the only purpose of the chartering organizations was to serve local clubs. He urged the club to use his service.

The speaker told the group present that the main purpose of the Jaycees was leadership training through community service and that "many communities are begging for good leadership."

Wadsworth, who was recently elected president of the state organization, challenged the new officers and especially the new president with the fact that they have a tremendous responsibility. He told them that this could be the most important year of their lives. He also told the members that success or failure of the club was their responsibility too.

Wadsworth was introduced by national director of district six, Harold Parnell of Irving, who told the people present that just eight years ago Wadsworth was installed as charter president of the Irving club.

The local club was extended by Stamford March 24 with 24 members and now has a membership of 57.

Sammy Doyle of Stamford represented the Stamford club in extending congratulations to the Hamlin charter.

Officers installed by Ernest

Sears, state vice president of Region Five, were: Jerry Howard, president; Charles Absher, first vice president; Max Murrell, second vice president; Joe Ford, secretary-treasurer; Jim Harrison, state director; Louis Gordon, Neil Laminack and D. C. Andrews, directors.

Sears explained the duties of each officer and gave them their oath of office. The charters were presented by national director-at-large, Tim Jones was master of ceremonies for the occasion. Rev. Lenard Hartley, pastor of the First Baptist Church, gave the invocation and Rev. Fred Brown, pastor of the Faith Methodist, gave the benediction.

Entertainment was furnished by the "Continentials," a quartet from Abilene Christian College of Abilene.

Guests present included the Mayor of Stamford, W. B. Harrison, and the Mayor of Hamlin, John V. Howard.

Jaycee clubs from Sweetwater, Abilene, Anson, Snyder, Haskell, Cisco and Stamford were represented.

Howard, the new Jaycee president, told the crowd that future projects for the club would be a paving project and the sponsoring of a teenage golf and tennis tournament this summer.

During the program the people were urged to list any projects they would like to see the Jaycees undertake. The main projects mentioned were street paving, paving of business alleys and a youth center.

August 21 Set For Dial Change

Dial telephones are coming to Hamlin at 1:01 a.m., Sunday, August 21. And along with the new style telephone system is a brand new telephone numbering plan. So new, in fact, that Hamlin is the second city in the Southwestern Bell Company to receive it. Wichita Falls was first. The plan has been in operation there since January 1958. Announcement of the new dial system and numbering plan made this week by Bob Bresnahan, telephone company manager.

Bresnahan said there was a great deal of work to be done before the \$202,000 dial telephone project becomes a reality. "We began last year," he said, "when we started on the addition to our building. We have other things to do now. All of the complicated dial equipment must be installed in the building and every telephone customer in town will have to get a new dial telephone. Besides these things, there are other items that must be taken care of too. It's a big job."

Letters to all customers, notifying them of the dial conversion and the telephone numbering change, will be mailed this week, the manager stated. He added that telephone company advises people who order stationery and other printed material on which telephone numbers appear, avoid over-

stocking with material that shows the present telephone number.

Bresnahan said he felt Hamlin customers would like the new system as well with the seven digit telephone numbers. He said tests at Wichita Falls show that customers don't have any more trouble in remembering seven digit telephone numbers than they do remembering the regular two letter and five digit numbers that many large cities are now using. He said tests show people are able to find numerals on the dial quicker than letters of the alphabet. "For example," he added, "tests show that a person can dial 674-2361 faster than ORchard 4-2361. And when it comes to looking numbers up in the directory, the average person can remember seven figures for a brief time as easily as he can remember two letters and five figures."

Bresnahan added that many people may wonder if new telephone numbers are really necessary. According to him, the answer is a definite yes. The new numbers fit into a nationwide telephone numbering plan that will someday enable Hamlin telephone customers to dial their own long distance calls. Converting Hamlin telephones to dial, and adding this new numbering plan, is the first step.

LITTLE LEAGUE NEEDS FARM CLUB UNIFORMS

Little League baseball games will be played regularly on Monday, Tuesday, Thursday and Friday evenings until the season closes the first week in July, according to Dr. M. L. Smith who is coordinator for the league.

Pee Wee and Farm Club teams will play on Saturday evenings.

Saturday evening, May 28, there will be a game here between a Hamlin Pee Wee team and an Aspermont team. There will also be a game at Aspermont between a Hamlin Pee Wee team and an Aspermont Pee Wee team.

Dr. Smith has asked that the Farm Club uniforms be turned in to him or L. R. Browning. There are a number out that need to be turned in right away.

Progress of the Little League will be brought up to date in next week's Herald and then the weekly results will be reported in each succeeding issue.

Wheat Yield Averaging From 15 to 20 Bushels

This area's wheat has started to move at a faster pace this week with the yield running almost double to what was first predicted. Local grain dealers are expecting the grain to top a half-million bushels, barring

any bad weather damage. The grain yield is expected to pour around a million dollars into the area's economy.

While most were expecting the wheat to run about eight to ten bushels to the acre, most of it is running closer to 20.

The wheat is rated as excellent and is weighing 60 to 62 pounds on the average. The peak of the harvest is

expected by Monday with most of being over by the following week end, if the weather stays good.

Trucks are waiting in line to get to the scales at the local dealers with the combines cutting as much as possible while the weather is good.

Most of the local oat crop is being stored for seed and is not coming to market.

The lack of grain on this year's crop has kept everyone's guess low. The tremendous yield is being attributed to the underground seasoning.

At this time, there does not seem to be a shortage of combines.

HAMLIN WILL REMAIN OPEN MEMORIAL DAY

Most of the businesses in Hamlin will remain open on Memorial Day, May 30. With the exception of the bank and the post office who will be closed, it will be business as usual.

POPPY SALE SET SATURDAY

The annual "Buddy" Poppy Sale will be conducted in downtown Hamlin Saturday beginning at 9:15 a.m.

A booth will be set up in R. Y. Barrow Furniture Co. and Mrs. Bob Overman, president of the Women's Auxiliary of the Veterans of Foreign Wars, will be assisted in the sale by girls in the O-Ki-Hi Camp Fire group. This will be the third year that the girls have helped with the poppy sale.

The poppies are made by disabled veterans in many states. The poppy sale is one way in which the disabled may help themselves.

The slogan for this year's sale is "To honor the dead by helping the living."

Most of the money collected in the drive remains at home to help carry on the welfare activities of the local community. A portion is also used in helping disabled veterans who are confined to hospitals throughout the country. In addition to giving assistance to disabled veterans and needy veterans, war orphans and the widows of veterans, the proceeds will help with the V. E. W.'s extensive rehabilitation program for war veterans and their dependents.

The fund campaign for a youth center for Hamlin is being started by the Hamlin Jaycees, it was announced at the club meeting Tuesday night.

The Board of Directors approved a plan where 25 per cent of the money raising projects put on by the club will go into a special account for the drive. As soon as the project chairman, Neil Laminack, can work out the details, provisions will be made for individuals or contribute to the campaign.

No details have been worked out as to the organization of a youth center at this time and Jerry Howard, president, said this will probably be left up to a parent organization.

The club is also sponsoring a Jaycee Summer Recreational Program for Girls that will run eight weeks. The program will start with registration June 7 at 7:30 p.m. at the gym.

He will attend the state meet in Dallas June 4.

The National competition will be held in Washington D. C. during the summer.

The Road-E-O competition is sponsored by the Jaycees and Jimmy Vaughn is local chairman. Moore was winner of the Hamlin contest a few weeks ago.

Donnie Clanton of Big Spring was in second spot with 393, third with 388 and Gordpoints; Freddie Walker, Stamford Roberts of Abilene, fourth with 363.

DONKEY BALL GAME JUNE 2

A Donkey Baseball game will be played Thursday, June 2, at the Hamlin High School baseball diamond. The game will be sponsored by the Hamlin Lions Club and will feature members and other local talent on the two teams.

The teams will be captained by E. A. Hewitt and Lester Minton.

The contest will start at 7pm and the tickets are 75 cents for adults and 25 cents for children under 12. Club members are selling tickets or they may be purchased at the gate.

Diplomas Given to 49 at Commencement Exercises

Dr. Gordon Bennett, principal speaker for Hamlin High School Commencement exercises, told the group of the importance of togetherness in our world today. He emphasized the need of concern for others and noted that when something happens to some one else it also happens to us, even though we do not know the person involved. What happens to others in the world effects us too.

Dr. Bennett, president of McMurry College, Abilene, is a former principal and superintendent of Hamlin Schools.

There were 49 seniors who received diplomas. B. V. Newberry, principal, presented diplomas and awards.

Awards were given to winners in the Industrial Essay Contest which is sponsored locally by the Board of Community Development. Lana Lancaster received \$25 as first place winner; Carol Joe Simpson, \$15 for second and Danny McCurdy, \$10 for third place.

A plaque was presented to

Suzanne Jenkins as outstanding girl student in American History. This award was presented from the Women of Woodcraft. Wayne Boatwright received a plaque from the Woodmen of the World as outstanding boy in American History.

Ronnie Sipe Wins Ninth Place in Poster Contest

Ronnie Sipe was notified last week that his fire prevention poster was ninth place winner in the state contest. The 1960 Fire Prevention Poster Contest was sponsored by Cravens, Dargan and Co. and locally through the Hamlin Fire Department.

Ronnie received a check for \$5 and a merit award. His poster was one of over 300 entries from 168 towns.

Mrs. C. Weldon Griggs, Hamlin Junior High School art teacher, took care of local arrangements and sent the posters to Austin.

T. C. Blankinship, agriculture teacher, received the Soil Conservation award from the W.O.W.

The procession was played by Janice Richardson. Rev. Edmund Robb, pastor of the First Methodist Church gave the invocation.

Particia Bigham, salutatorian, gave the welcome and Lana Easter, valedictorian, gave the farewell address.

Danny McCurdy presented the school a check for \$200 on behalf of the 1960 graduating class. The money will be applied as payment on the intercommunications system which was installed three years ago.

Danny McCurdy led "The Pied Piper Song."

The benediction was given by Rev. W. H. Brown, pastor of Faith Methodist Church.

Nortons to Attend District Assembly

Rev. and Mrs. Joe Norton left Wednesday morning to attend the Nazarene District Assembly which is being held in Amarillo.

On Friday, May 27, they will go to Bethany, Oklahoma, to attend the graduation at Bethany Nazarene College. Their son, John, will receive a Bachelor of Science degree in biology Monday night.

He is a member of the Alpha Nu Honor Society, a chapter of Phi Delta Lambda National Honor Society.

TWIRLERS AND CHEERLEADERS NAMED FOR FOOTBALL SEASON

A called meeting of the Pied Piper Pep Squad was held on Wednesday, May 18, when the twirlers and cheerleaders were selected for the fall football season. There were 42 squad members present from the sophomore, junior and senior classes. Outgoing members also helped with the election.

Twirlers were selected by secret ballot after each girl had been given an opportunity to try out for the position. Nina Jean, Jorene Hudspeth, and Janice Richardson were selected as twirlers. Nancy Carter was selected as alternate.

Cheerleaders gave a demonstration of their ability to lead yells. Those elected to lead the yells for the Pied Pipers this fall were Darla Harkey, Sharon Wyatt, and Nell Waldon. Jennie Law was selected an alternate cheerleader.

The first meeting of the squad will be August 1 at 4 p.m. to practice yells and marching.

Miss Dora Mitchell is the sponsor.

CHEERLEADERS AND TWIRLERS FOR 1960-61—These girls were selected as leaders for the coming season at a recent meeting that was held at the gymnasium.

Cheerleaders are left to right, Nina Jean, Jorene Hudspeth, Janice Richardson; Twirlers are Darla Harkey, Sharon Wyatt and Nell Waldon.

Shorthand Class Reached Goal of 80 Words or Better

The shorthand class of Hamlin High School this year consisted of 18 seniors. Twelve of the 18 were able to gain a skill of 80 words a minute on dictation. Seven of the group were taking dictation and transcribing their notes with 95 per cent accuracy at 100 words a minute. All of the class reached the 60 words per minute goal.

Peggy Dodd and Pat Bigham represented the class and the school at a contest sponsored by the Interscholastic League. Peggy Dodd went on to the regional level.

Members of the class were: Pat Bigham, Barbara Cheshire, Peggy Dodd, Rebecca Ferguson, Judy Ford, Betty Galloway, Phyllis Hollis, Delores Dillion, Lana Lancaster, Ann Maberry, Kay Millorn Carolyn Nunley, Cynthia Patterson, Cherry Pritchard, Ann Richey, Iona Seaton, Sharon Sims, and Frances Smart.

The first practical typewriter was invented by Christopher Shoues of Milwaukee in 1868.

TUXEDO FARMERS FIND WHEAT YIELD BETTER THAN EXPECTED

By MRS. CLYDE PRITCHARD
George Ed Ashburn of Meadow, Texas, visited Mr. and Mrs. Ben Ashburn Monday.

George Buck of Dallas and his father, Frank Buck of Austin came to visit Mrs. C. P. Amerson Monday. The three of them all had supper with Mrs. Amerson's daughter, Mrs. Johnie Bryant, Mr. Bryant, Cindy and Price Monday night. The Bucks returned home Wednesday.

Mr. and Mrs. Robert Pittman Sandra and Todie of Abilene, and their granddaughter, Cindy Pittman of Pueblo, Colorado, visited Mr. and Mrs. Doyle McKinnon Sunday evening.

Mr. and Mrs. H. D. Glenn visited their daughter, Mrs. Jimmy McElyea, Mr. McElyea and baby of Abilene Wednesday. They also went to see their son, Bill Glenn, Mrs. Glenn, Ronnie, Donnie and Deidra Ann of Albany Monday.

Marion Lee Meads of Wichita Falls visited his grandmother, Mrs. D. J. Meads, Thursday.

Sandra Buske and Cherry (Pritchard) Crowley, graduated with the Hamlin High School class Thursday night. These are the only graduates from the Tuxedo Community this year.

Johnie Paul Cooper of Rotan, visited in the home of his uncle, Craig Stevens and family Thursday.

Mr. and Mrs. Bill Pritchard, Gregg and Cathy visited Mr. and Mrs. Edwin Pritchard, Sandra, Eddie, Toni and Diane of Abilene night.

Mr. and Mrs. Doyle McKinnon spent the weekend with their son, Doyle Jr., his wife and children of Lubbock.

Mr. and Mrs. Eugene Parnell and Mitzie Gail of Abilene spent the weekend with Mr. and Mrs. Ben Ashburn.

Cherry Crowley visited Mrs. James Crowley and a baby daughter, Jamie Sue who was born Monday, May 16 at the Hamlin Hospital several times this week.

The Tuxedo Baptist Church called Rev. Don McClure of Abilene Sunday night to serve as song leader for the church.

Bob Stephens and Mike Phillips were among a group of boys who attended a birthday party in honor of Robert Watts in his home Sunday from noon till 3:30 p.m.

Some of the farmers here are combining their wheat and it is making more per bushel than they once thought it would even though the weather has been extremely dry.

Mr. and Mrs. E. A. Bushell were supper guests of their daughter, Mrs. Jack Buske and family, Thursday night and attended Sandra's graduation exercises.

Mrs. Lynn Gillespie had open house and an art exhibit Sunday at four P. M. for her art pupils, their parents and grandparents.

Mike Phillips and Bob Stephens are two of her pupils. Mike's mother, Mrs. H. M. Phillips Jr., and both of his grandmothers, Mrs. H. M. Phillips Sr., and Mrs. Clyde Pritchard were among the guests present.

Bob's parents, Mr. and Mrs. Craig Stephens, brother, Keith, were there also. Mrs. Pritchard is also Bob's grandmother. After viewing the art work of the children, refreshments were served to a number of guests.

Mrs. Rebecca Harwell visited her sister, Mrs. Walter Tubbs, and Mr. Tubbs Friday, also Rev. and Mrs. James Andrus, former pastor of the Tuxedo Baptist Church all of Abilene.

Mrs. Ruby Hoot of Stamford had lunch with her parents on Sunday and Mr. and Mrs. Norman Carlton of Hamlin joined them in the afternoon.

Bob Stephens' "Fire Prevention Poster" was chosen to represent Stamford at Baird in a "Poster Contest" sponsored by "Mid West Texas Fireman Association" and won 3rd prize in district contest, making his poster eligible to compete for state honors in the near future.

Mr. and Mrs. Jack Buske, Sandra and Jackie attended a fish fry Sunday night at the Al Smith home northwest of Stamford, given in honor of their son, Sigard, who is leaving for service in the United States Air Force.

He will report to San Antonio Friday, May 27th. There was a number of guest present from the surrounding area.

Mr. and Mrs. Roy Scarborough of Snyder brought their children, Scooter and Ronnie to visit with their grandmother, Mrs. Rebecca Harwell while they are taking a vacation in New Mexico.

Mr. and Mrs. Benny Ware of Abilene visited Mr. and Mrs. John Carlton and Joey Friday.

Mr. and Mrs. Bill Glenn, Ronnie, Donnie and Deidra of Albany had lunch with his parents, Mr. and Mrs. H. D. Glenn, Saturday.

Mr. and Mrs. Matt Ware of Abilene spent Tuesday with Mr. and Mrs. Bethel Baize. Mrs. Ward is Mr. Baize's niece.

Mr. and Mrs. Loyd Baize of Pomona, California, are here visiting his brother and wife, Mr. and Mrs. Bethel Baize and other relatives.

In 1912 Dr. Alexis Carrel was the first American to receive the Nobel Prize in medicine and physiology. His prize was for his contribution to surgery of blood vessels.

Domenico Scarlatti, Italian opera composer (1685-1757), pioneered in sonata form.

RECALLING

Other Years

★ Being news items taken from old files of Your Home - Town Newspaper, The Herald.

FORTY YEARS AGO.

Among news items of 40 years ago were the following, reprinted from the issue of The Hamlin Herald dated May 21, 1920:

Gomer R. Wilson and Vance Littleton are announcing the opening of a new filling station. We fill two cars at a time with five-gallon glass containers.

More rains fell in the Hamlin territory last Friday, bringing the rainfall for the month of May to 7.52 inches.

J. L. Milsap, one of the prosperous farmers of the Dovie community, returned Friday from a business trip to Lubbock.

Rev. J. B. Henderson of Margaret, former pastor of the First Baptist Church at Hamlin, was here several days this week on business. He accompanied his wife and mother this far on their way home in DeLeon.

THIRTY YEARS AGO.

From the issue of The Hamlin Herald dated May 23, 1930, the following news briefs of 30 years ago in the Hamlin community are reproduced:

More than 250,000 baby chicks have been hatched in the past 30 days in Hamlin's two commercial hatcheries, according to a check-up by The Herald.

Martin McCain, vice president of the First National Bank, had as his guest on Friday of last week Roland C. Irvin, vice president of the Chase National Bank of New York City. Irvine was pleased with Hamlin and its trade area.

Winifred Dobbins, eight-year-old son of Mr. and Mrs. W. B. Dobbins of Hamlin, was drowned in the lake west of town Sunday afternoon about 2:00 o'clock.

TWENTY YEARS AGO.

The news briefs below are reprinted from the issue of The Hamlin Herald dated May 24, 1940:

Clyde F. Smith of Wilson, Oklahoma, has been named director of bands in the Hamlin schools, according to Superintendent of Schools Gordon Bennett.

Receiving diplomas of graduation from Hamlin Grammar School last week were Glen Lewis Adair, Alfred Altum, John Lee Barnett, James Brady, Olen Butler, Woodie Dutton, Jack Harden, Don Ray Harrison, Lee Hastings, Willie Holsey, W. T. Johnson, Buck Joiner, Leon Low, Larry McCoy, Curtis Meeks, Gene Miles, Carl Myers, Billy Joe Nelson, Wayne Pitcock, Robert Rangel, John R. Rimmer, Herbert Yartorough, Edith Armstrong, Billie Dean Dunlap, Charlene Durham, Jannita Elkins, Frances Nell Gardner, Jauncey Hamric, Patgy Havens, Ille Jean Helms, Billie Jean Holland, Dena Luling, Bobbie Lou Kelley, Larue Kite, Chloie Miller, Shirley Moore, Lida Jo Peterson, Hortense Phenix, Dorothy Jean Scott, Lila Marie Sedberry, Lorne Stephens, Jewel Tabb, Marion Talley, Louise Tindal, Maggie Lou White, Ojeda White, Bobbie Wilson, Betty Lou York and Ruby Young.

TEN YEARS AGO.

Among items of interest of 10 years ago were these from The Hamlin Herald of May 26, 1950:

Ben Ferguson of Dallas is due to arrive in Hamlin this week-end and begin construction of the Hamlin Drive-In Theater in South Hamlin.

Three Hamlinites will receive degrees from Texas Tech College Monday. They are Martha Mae Davis, Marc Ocie Farrow and Ted E. Armstrong Jr.

Wheat harvest has begun in the Hamlin territory. Some 13,000 bushels had been received by local users up to Thursday morning.

FIVE YEARS AGO.

News briefs below are taken from the issue of The Hamlin Herald dated May 27, 1955.

Funds for erecting bath houses at the swimming pool that is nearing completion are badly needed now, declares Delma Shelburne, president of the Hamlin Foundation, sponsor of the pool project.

Plans for the first annual student homecoming for Hamlin High School are being shaped by the Pied Piper Boogey Club. The date for the gathering has been set for October 18.

ADDISON AND AIDES POST BONDS—Uranium promoter John Milton Addison, standing left, looks on as one of his associates, Mrs. Agnes Carver, of San Antonio, signs bond in federal court in Dallas. Addison and six of his associates have been charged with fraud and conspiracy in connection with Addison's \$1,250,000 uranium and mining operations. Left to right at the bond signing are: Lamar Holley, attorney; Mrs. Carver; Addison; Attorney Lester May; Bill Soltes, bondsman and U. S. Commissioner W. Madden Hill. -AP-

65 Take Typing 1 At Hamlin High School this Year

There were three typing I classes this year at Hamlin High School with 65 members. Mrs. Joe Carter and Miss Dora D. Mitchell were the teachers. All the students reached the 35 words per minute goal and a number typed better than 50 words per minute for five minutes.

The third period class consisted of: Lillie Sue Austin, Wayne Boatright, Tommy Bonds, Geneva Brinegar, La Nell Cross, Betty Galloway, Craig Hester, Sam Hodges, Delores Killion Ned Moore, Bobby McCurdy, Ken Prewitt, John Edd Scott, Cecil Sellers, Carol Simpson, Sharon Sims, Frances Smart, David Wade, Larry Upshaw and Thomas Fernandez.

The fourth period class included: Tommy Boen, Michael Bond, David Bond, Robert Brandon, Sam Bryson, Gary Cooper, Milburn Crawford, Cliff Drummond, Rebecca Ferguson, Joe Ford, Dwight Griggs, Jack Haight, Ann Maberry, Jerald McCanles, Denetta McCracken, Henry O'Neal, Robert Rangel.

Vic Riggs, Cecil Robinson and Sarah Snapp.

The fifth period class consisted of: Pat Blankenship, Sandra Bury, Londa Cavitt, Beth Christian, Darla Harkey Jorene Hudspeth, Nina Jean, Suzanne Jenkins, Ray Johnson, Jennie Law, Lanita Mallory, Bob Murff, David Painter, Charlene Pendley, Ann Rabjohn, Janice Richardson, Montie Wade, Nell Waldon, Gary Williams, Zoan Winegeart, Sharon Wyatt and Janice Yeckert.

Jerry L. Foster Graduates from Aviation School

Jerry L. Foster, airman apprentice, USN, son of Mr. and Mrs. Bill Foster of 30 E. Lake Dr., Hamlin, Texas, graduated May 6, from the Aviation Familiarization Schl. at Naval Air Technical Training Center, in Memphis, Tenn.

Completion of this two-week course is a prerequisite for further training in any of

NOW LOOK WHAT CORVAIR'S GONE AND DONE!

The same Corvair that tallied a thumping 27.03 miles per gallon* in the Mobilgas Economy Run... went right on to climb Pikes Peak earlier in the spring than any car has ever tried!

We wanted to show you what the fabulous traction of Corvair's rear-engine design and the sure-footedness of four-wheel independent suspension really mean. So the identical Economy Run car went right on to 14,110-foot Pikes Peak—and right up to the top of that savage mountain, on April 15, still deep in winter's snow and ice. No other car—even specially equipped—had ever been able to conquer that nightmare alpine road so early in the spring. But Corvair (with United States Auto Club officials aboard to certify that not one nut or bolt was changed) purred right to the summit without chains or even snow tires! That just underscores the fact that Corvair is totally unique. But you'll find that out the first five minutes you're at the wheel!

*With professional economy drivers on the over 2,000-mile run from Los Angeles to Minneapolis

TOT TAKES TOP TOPSTER TITLE—Unofficial title of Top Topster in the neighborhood has been conceded by a score of older top spinners to little David Biven, 4 year-old son of Mr. and Mrs. Henry L. Bevins, center, of Dallas. He invariably is able to spin his top longer than other neighborhood buffs when they gather each evening to try their talents. Mrs. Bevins says David is so enamored of his top that he even sleeps with it. (AP Wirephoto)

15th Rural Church Conference to Meet at A & M. June 20-22

"The Interrelation of the Rural Church and the Larger Rural Community" is the theme for the 15th annual meeting of the Rural Church Conference. The meeting will be held on the campus of Texas A&M College, June 20-22.

According to Tom Prater, extension farm management specialist, Pastor Jesse W. Robinson, Carlisle Methodist church, Price, Texas, is president of the Conference organization. The meeting is sponsored by the Texas Agricultural Extension Service, Experiment Station and A & M College and all denominations are invited to participate. Prater said the program would include items of interest

to rural church leaders including discussions on moral responsibilities, traffic safety, pastoral counseling, cancer research, the changing role of agricultural extension service, and the rural church adjustments needed to meet the changes of rural life.

Dr. Joseph Ackerman, managing director, Fam Foundation, Chicago, Illinois, will be one of the featured speakers of the Conference. Other speakers will include staff members of the sponsoring groups and pastors.

Prater said the rural minister of the year would be honored. He extends a special invitation to rural church pastors and church leaders of every denomination to attend the Conference.

Zion National Park is southwestern Utah covers 94,201 acres.

Lana Lancaster Wins First in Eassy Contest

Lana Lancaster, first place winner in the Industrial Essay contest, was presented a check for \$25 at commencement exercises in the Hamlin High School Auditorium Thursday night. The contest was sponsored by the West Texas Chamber of Commerce and the Hamlin Board of Community Development. Carl Murrell, development committee, was in charge of the contest.

B. V. Newberry, high school principal and president of the

ECCD made the presentation. Carol Joe Simpson was second place winner and Danny McCurdy won third place honor.

The daughter of Mr. and Mrs. Claude Lancaster, Lana was valedictorian and a class officer of the graduating class.

Carol Joe, daughter of Mr. and Mrs. Joe Simpson, was a class officer and graduated with honors. She was also recipient of the John Phillip Sousa Award this year.

Danny is the son of Mr. and Mrs. John L. McCurdy, and

honor student and was president of the senior class.

The theme for the contest was "What West Texas Can Do To Have More Industry and What My Town Can Do To Help." Members of the English class taught by Mrs. Charles Scott participated in the contest.

The first place essay will be sent to the Industrial Committee of the West Texas Chamber of Commerce to be entered in competition with other essays from other participating West Texas towns. Grand award is a \$250 scholarship in any West Texas college or university. Jerry Carlton, winner of last years competition, won second in the region.

The three winning essays will be published in the Herald, beginning with the third place winner this week. The essay winning second will be printed next week and then the number one composition will follow at a later date.

TRAFFIC HINTS

by J. L. McCurdy
chief of police

Do you know it is a violation of the state law to park your car on the wrong side of a street? Not only is it a violation but a very dangerous practice.

In order to park on the wrong side of a street it is necessary for you to drive in the wrong lane going to and from the parking place. Should an accident occur while you are driving on the left side of the street, you would be found at fault and would be subject to a fine in a court of law and would be liable for damages.

Also, while you are parked you are in violation, and even though you are no where near your car, should another vehicle collide with it, you would be subject to fine because your car was headed in the wrong direction.

Another important thing to remember is, the insurance company would have a good talking point in their favor to keep from paying damages on your car.

Parking on the wrong side of

a street is a very bad practice. It is to your advantage to stay within the law and refrain from doing this in the future.

Burl L. Young Takes Part in Navy Training Program

Burl L. Young, hospital corpsman first class, USN, son of Mr. and Mrs. Charles E. Young of Route 3, Hamlin, Texas, and husband of the former Miss Mary E. Stammen of Medford, Oregon, serving aboard the attack cargo ship USS Washburn, took part in an amphibious exercise on the beaches of Camp Pendleton, California, May 4-13.

The exercise, nicknamed "Operation Big Top", involved over 15,000 Marine and Navy personnel, and was designed to test new equipment and tactics as well as to train personnel, in the many facets of amphibious warfare.

Highlight of the operation was a night-amphibious assault by the 20 Navy ships and 60 Marine helicopters of "Big Top's" task force.

Dr. Hu Shih, Chinese ambassador to the United States from 1942-1945, is a graduate of Columbia University.

Cleo Pettit Made Shift Foreman By Celotex Plant

Cleo Pettit has been promoted to shift foreman at the Celotex Corporation and will assume that responsibility June 1. Coming to the Celotex plant in July of 1957, Pettit has worked in the miscellaneous crew and has filled in on nearly every job in the Board Plant. He also worked at the Longworth Quarry as a driller. Before coming to Hamlin in the Celotex Plant, Pettit was engaged in oilfield work following the completion of two years at Ranger Junior College. He is married and has one child.

WEST TEXAS AND INDUSTRY

By DANNY McCURDY
Third Place Winner

"Why is West Texas not growing industrially as rapidly as it should?"

"How will our situation look in ten years?"

These are two questions that are asked and heard hundreds of times every day, in barber shops, drugstores and business establishments through out West Texas. As Mark Twain once quipped, "Everybody talks about the weather, but no one ever does anything about it," so we in West Texas are becoming increasingly concerned about our industrial future, but doing very little actual planning for it.

West Texas, as a whole, must do some long range planning to cope with our situation, but the preponderance of the responsibility must be met by the individual cities or townships. So varied are the facilities and natural resources of West Texas as that it is usually the procedure of an industry to inquire as to the advantages of a particular section of West Texas rather than West Texas as a whole. So the main portion of attracting industry is left with the separate towns.

Bringing industry to a town is a basic requirement for the present well being and future security of that locale. It is, therefore, necessary for a city to explore her facilities and resources in order to determine what she has to offer prospective industries. Extensive examination of natural resources and the water supply of the surrounding area of a town is the first and possibly the most

important step toward industrial development.

This factor must be considered: if an industry comes to a city, it will bring it a group of people who are employed there. These people will be primarily interested in the advantages that the town has to offer them as individuals and as families. These include: the availability of adequate and comfortable housing, the accessibility of shopping centers, the quality of merchandise sold, the policies and standards of the educational system, and the types of religious facilities. These are but a few of the factors that an employer must take into consideration when choosing a site for a proposed industry, for when his employees are satisfied with the local environment, they will in turn be satisfied on the job.

To determine how a city stands as to the just mentioned factors, it would be wise for the city officials to conduct an intensive evaluation of the assets and shortcomings of their town. After the survey, a long range plan of development should be undertaken to broaden the standing advantages, to remove any potential stumbling block, and to start the development of any area that proves to be lacking.

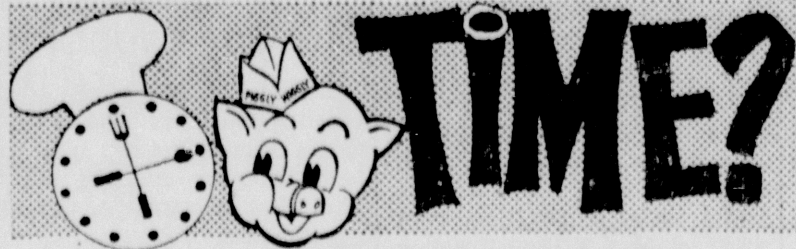

Most of the towns of West Texas, almost without exception, are located where there is abundant space, dry weather and ample mail and freight service to existing industries.

These assets would benefit any type of industry greatly, but would primarily benefit industries pertaining to electronics and technical fields. Also, these factors would interest any businessman planning to set up a factory dealing with garment manufacture and textile preparation. Meat and poultry processing plants would also find that West Texas had a great deal to offer. To attract these types of industries to individual cities would be left almost entirely up to the individual citizens. It is by their vote and concern that city officials become aware that these prospective industries should be informed as to the advantages their town has to offer. It is agreed that cities should "keep an ear to the ground" to discover when an industry is planning to expand, but when this is determined by a town, the remainder of the approach should be very tactfully planned. That plan should not include rash promises by the city to the prospective industry stating that all or part of the taxes and utilities bills will be paid by the city. Industrial officials are used to such promises and they realize that over a period of years the advantages acquired in such an agreement are soon replaced by disadvantages stemming from their not having to pay taxes, as would any other industry.

West Texas is potentially an area of great industrial progress. With the combined effort of the people of West Texas, people who are willing to sacrifice time and effort, and who have a real desire for the industrial development of West Texas, our home towns may one day in the near future know real economic success. Not only will the towns benefit, but the individual citizens will find within themselves a real sense of satisfaction in knowing that they had a hand in the success story of West Texas.

If our town and our section of the state is to prosper, we must first confront others with the basic requirements for procuring industry and set in motion the wheel that will ultimately travel the road of success for West Texas.

When Walt Whitman got a job as reporter on "The New Orleans Daily Crescent" he took the 14 - day trip from Brooklyn to New Orleans via stage coach.

Hamlin Garden Installs Officers Friday Night

Officers of the Hamlin Garden Club were installed Friday at a meeting in the home of Mrs. Fred B. Moore. Mrs. Edgar Duncan conducted the installation service and presented each new officer with a fresh flower.

The new officers are: Mrs. Joe League, president; Mrs. Johnnie Agnew, first vice president; Mrs. B. B. Colwell, corresponding secretary; Mrs. La Foy Patterson, recording secretary; Mrs. R. D. Moore, treasurer; Mrs. L. B. Gage, reporter; Mrs. Charles Lovell, historian; Mrs. Ed Bailey, librarian; Mrs. Fred B. Moore Sr., parliamentarian.

Members wore hats styled with fresh garden flowers to emphasize the program on "Civic Beautification." The program followed the monthly theme of "A Thing of Beauty Is a Joy Forever."

Mrs. Moore served garden-pink punch and flower cookies to fifteen members.

TELEPHONE TALK

by Bob Bresnahan, Manager

CONGRATULATIONS

Congratulations to the newly formed Hamlin Junior Chamber of Commerce.

With the support of the local citizens I am sure the Jaycees will be a success and a real service to the community.

PLAYING CUPID

It's such a natural thing — sometimes it's almost automatic — for your phone to come to mind when you think of someone you love who's out of town. Yes, I suppose not a day goes by that somebody in Hamlin doesn't use the phone to remember a loved one.

So it's easy to see why an Air Force sergeant stationed in Iceland thought of telephone service when he wanted to send flowers to his wife back home for her birthday. This fellow wanted folks at the telephone company to have the flowers delivered and then charged to his telephone account.

Now, even though it wasn't possible to bill the flowers to his telephone account, the girls in Miss Clara Balzen's service order group decided to help, anyway. They wrote they were sorry that the telephone company was unable to charge a florist bill to his phone, but they added this personal note: "However, we feel such thoughtfulness deserves special attention."

Then they picked out a birthday card and a dozen roses and had them delivered to the sergeant's wife.

The upshot of it was that the lives of two people—miles apart—were brightened by the thoughtfulness of a group of telephone girls who cared enough to find a way to help.

WHAT ELSE IS SO DEPENDABLE?

Most folks don't realize it, but everytime you make or receive a telephone call, your phone sets a new record for dependability.

And because it does, you needn't worry about wear and tear, replacement parts, or repair bills. When repairs are needed, there is no charge to you. I doubt whether there are many other things you have that you are so free of trouble as your phone.

Call by number. It's twice as fast.

Eastern Star Sets Date for Officer Installation

Installation of officers for the Hamlin Chapter No. 460, Order of the Eastern Star will be held at 8:00 p.m. June 14, at the Masonic Hall.

Dr. R. O. Fuqua, Worthy Grand Patron, Grand Chapter of Texas, O.E.S., will be the installing officer.

Mrs. Clara Fuqua, chairman Grand Chapter of Texas, O.E.S. of Chapters under Dispensation will be the installing marshal.

Mrs. Jaunice Cain, Past Matron of Mamie D. Crain Chapter in Sweetwater will be the installing chaplain.

Mrs. Josephine Cole, Past Matron of Sweetwater Chapter will be installing organist.

Mrs. Ruth McCurdy, Past Matron of Hamlin Chapter will be installing secretary.

The installation meeting is open to all Eastern Star members and their guests.

Sunday School Class Holds Social

The Friends Sunday School Class of the First Baptist Church met in the home of Mrs. Marvin Rhoton for their quarterly social last Tuesday night.

Opening prayer was by Jewel Hargrove. Martha Rhoton gave the devotional on "Our Responsibility to Our Children."

After a bible drill and other games, refreshments were served to the following: Estelle Agnew, Ruth Fletcher, Inez Nall, Sybil Watson, Jewel Hargrove, Mae Scott and Martha Rhoton.

Cotton Circle of WCSH Holds Last Meeting of Year

The Cotton Circle of the Women's Society of Christian Service of the First Methodist Church met in the home of Mrs. Robert Kneer Monday, May 23 at 3 p.m. for the last meeting of the year.

Mrs. W. B. Cotten, circle chairman, opened the meeting with prayer, she also presided for the business session.

The minutes were read by Mrs. V. V. Anderson, secretary.

The chairman was presented with a beautiful milk glass candy dish. The program was a panel discussion of "Christian Responsibility Around the World." Mrs. Holly Toler closed the meeting with prayer.

Refreshments were served to seven members.

Brownwood Mother Named Mrs. Texas

Mrs. Seale T. (Betty) Cutbirth of Brownwood, an attractive and talented mother of four, on May 13 was named the new Mrs. Texas, the state's number one homemaker.

Mrs. Cutbirth received her crown and title at a banquet climaxing day long competition in homemaking skills in the Lone Star Gas Company auditorium in Dallas.

Mrs. Cutbirth, native of Fort Worth, will represent Texas at the national American competition June 2-14.

B&PW Club Will Install Officers Tuesday Evening

Installation of officers of the Hamlin Business and Professional Women's Club will be held Tuesday evening at the Mid West Cooperative Oil Mill guest house.

Special guests for the covered dish dinner will be members of the Haskell B&PW Club who will also direct the installation.

Princess Ruth Court Awards Top Girl History Student

The Princess Ruth Court No. 4416 of the Women of Woodcraft met at 7:30 p.m. May 12 at the Mid West Cooperative Oil Mill Guest House for a general business meeting.

During the business session, with Mrs. Fred Vaughan, Empress, presiding, the group voted to change their meeting dates to the second and fourth Thursday evening of each month.

The group sponsored an award which was presented to the outstanding girl student in American History. Suzanne Jenkins was chosen for this honor and was presented the award at commencement exercises Thursday evening. E. V. Newberry, principal, gave the award.

Our Mission Today Given as Program For McBride Circle

The McBride Circle of the First Methodist Church met Tuesday morning in the home of Mrs. W. T. Johnson with nine members present.

Mrs. Parker Kelly presented the business. Mrs. Jerry Howard was in charge of the program which was entitled "Our Mission Today."

The newly elected officers will begin the new church year in June. They are: Mrs. Jerry Waggoner, chairman; Mrs. W. M. Fairbetter, vice chairman; Mrs. Jerry Howard, secretary; Mrs. Ed Croan, treasurer.

The June meeting will be held in the home of Mrs. Jack Vaughan.

'Tips on Sewing' Given Members Of Friendship HD

The Friendship Home Demonstration Club met at the Mid West Cooperative Oil Mill Guest House Friday with Mrs. M. S. Johnson presenting the program, "Tips on Sewing."

Mrs. Johnson also displayed aprons in connection with her program presentation.

Mrs. Sol Branscum gave a report of the Hamlin Foundation meeting. The report on the National Home Demonstration Week Tea held recently at the Anson's Woman's Club was given by Mrs. Carl Young.

The hostess, Mrs. Carl Young, served refreshments to Mmes.: E. G. Young, Johnson, R. M. Young, Fred Carpenter, Branscum and a visitor, Mrs. George Prather, of Leonard, Texas. Mrs. Prather is a sister of Mrs. Carpenter.

Mrs. David Cowan Honored with Stork Shower in Denton

Mrs. David L. Cowan was honored with a surprise pink and blue shower recently in the home of Mrs. W. H. Hallmark Jr., of Denton. Mrs. Cowan is the former Lusara Dean.

The table was laid with pink linen cloth, centered with a white baby cradle containing an arrangement of pink roses and blue larkspurs. Two baby shoes on both sides of the cradle contained white candles surrounded by pink rose buds. The refreshment plate consisted of varied colored parfait and cookies with original "baby carriages" made of marshmallows with gum drop wheels as favors.

Those attending from Hamlin were Cecilia Albritton, Mary Ann Willbanks, Mrs. Dewey Nunley, Mrs. David Cowan, honoree, and Mrs. Hallmark, hostess.

Mr. and Mrs. James Crowley are parents of a baby girl, Jamie Sue, born May 16 and her weight was 7 lbs. 6 oz.

Connie Drake and his sister, Mrs. Eula Gollehon visited in Cisco and Romney last week.

Committees Named By Eastern Star For Coming Year

Mrs. Evalyn Bingham, recently elected Worthy Matron of Hamlin Chapter No. 460, Order of the Eastern Star has announced the appointive officers and committees for 1960-61. They are: Mrs. Mae Watson, chaplain; Mrs. Gertrude League, marshal; Mrs. Winnie Abbott, organist; Mrs. Bertie Bonnie Vaughan, Ruth; Mrs. Ruth Perryman, Adah; Mrs. Ruby Ray, Esther; Mrs. Jewel Scott, Martha; Mrs. Evelyn Rimes, Electa; Mrs. Tommy Maberry, warder; Charlie Abbott, sentinel.

Other officers who were elected at a meeting held with Mrs. Bingham in April are: Roy Watson, worthy patron; Mrs. Inez Ferguson, associate matron; S. C. Ferguson Jr., associate patron; Mrs. Jerry Smith, secretary; Mrs. Lydia Hudson, treasurer; Mrs. Gladys Miller, conductress; Mrs. Lilly Gibson, associate conductress.

The following persons were appointed to serve on committees: Charlie Abbott, Mrs. Lilly Gibson, Mrs. Tommy Maberry, audit.

Ira Clements, Mrs. Ruth McCurdy, Mrs. Willie Vic Goodgame, examining.

Clarence Hyer, Mrs. Jerry Smith, Mrs. Ruby Ray, Mrs. Bonnie Vaughan, Mrs. Bennie Lock, Mrs. Winnie Abbott, Mrs. Gladys Miller, Mrs. Janelle Rutherford, cards and flowers. Mrs. Gertrude League, Mrs. Johnnie Briscoe, Mrs. Jewell Scott, gifts.

Mrs. Johnnie Briscoe, Mrs. Lucille Willbanks, Mrs. Mary Hyer, benevolence and welfare. Mrs. Bonnie Vaughan, Mrs. Inez Ferguson, Mrs. Gladys Miller, yearbook.

Mrs. Gertrude League, Mrs. Lilly Gibson, Mrs. Inez Ferguson, program.

Mrs. Mae Watson, Mrs. Janelle Rutherford, Mrs. Chaney Williams, telephone.

Mrs. Bennie Lock, Mrs. Ruth McCurdy, registration.

Mrs. Bennie Lock, reporter. All chapter members will serve on the sickness and visitation committee.

All chapter officers will be on the hospitality committee.

Alathea Class Holds Business and Social Meeting

The Alathea Sunday School of the First Baptist Church met at 9:30 a.m. Tuesday in the home of Mrs. O. R. Riddle for the regular business meeting and social.

In the absence of the teacher, Mrs. Tate May, Rev. Lenard Hartley, pastor, taught the books of Zachariah and Zechariah. He called attention to the fact that God allowed his people to be conquered by heathen nations in ancient times and great faith was required by His people to remain faithful to God. He noted that prayer is the inspiration for remaining faithful.

Mrs. Riddle served rolls, cakes and coffee to Mmes.: J. D. Kitchen, L. E. Previtt, Robert Fowler, Ester Hastings, Albert Hought, John Howard Jr., Cecil Sellers and guests, Rev. and Mrs. Lenard Hartley.

Charles Lamb, English essayist of the early 1800s, wrote that, "Newspapers always excite curiosity. No one ever lays one down without a feeling of disappointment."

BEST WISHES TO O. R. CRISWELL—E. B. Hopper, left, extends best wishes to O. R. Criswell, right, at a banquet held in his honor Saturday evening. Criswell is retiring June 1 after 32 years of service with the Celotex Corporation. Hopper has worked under Criswell for 18 years.

O. R. CRISWELL HONORED WITH BANQUET SATURDAY NIGHT

O. R. Criswell, was honored by fellow employees of the Celotex Corporation at a banquet held Saturday night at the Mid West Cooperative Oil Mill. Criswell is retiring June 1 after working 32 years at the Hamlin plant.

L. E. Madden was master of ceremonies and E. B. Hopper presented a gift to Criswell which was from all of the employees. Hopper, who had worked under Mr. Criswell for 18 years, said that all the men on his shift were proud to have worked under him and they wished him a most pleasant retirement.

Louis Johnson and Earl Houghton gave the program.

Criswell came to Hamlin and started work March 28, 1928 at the Texas Cement Plaster Company, which later became the Celotex Corporation.

His first job was working in the block plant carrying gypsum blocks to the yard for drying. A year later, he started working on the east transfer table where the boards were transferred to the kiln. The

PAINT STORE OPENS HERE

Hall's Paint and Decorator Service is Hamlin's newest building service. The firm opened this past week and is owned by H. Q. and Joe Hall. The store will feature H. B. Paints and a complete line of decorator supplies. H. B. Paints are made by Horton and Barbee Manufacturing Co. in Abilene.

The brothers were raised in Hamlin and their father formerly owned a paint store here. They have been in the paint and decorating contracting business in Abilene prior to opening the store here.

They plan to move to Hamlin as soon as possible. Joe is unmarried. H. Q. and his wife, Marilyn, have two children, Brent Earl, 6, and Jody Darnell, 5.

The store will feature the latest coloring system which will enable an unlimited number of colors to be mixed into any texture paint.

Carol Joe Simpson Is Not a Boy!

We would like to correct an error that was made in last week's Herald. In giving information concerning each senior we stated that Carol Joe Simpson was a boy. Carol Joe is a very talented young lady and we are sorry to have made this mistake.

The daughter of Mr. and Mrs. Joe Simpson, she was a member of the National Honor Society, band and stage band in high school and plans to attend Baylor University. She plans to study science, medicine or music and wants to be either a band director or a doctor.

'Dr. Zhivago' Placed In Library, Memory Of Mrs. Bowen Pope

"Dr. Zhivago," the prize winning novel by Boris Pasternack, has been placed in the Hamlin Memorial Library in memory of Mrs. Bowen Pope.

Other new books which have been placed in the Library by the Hamlin Woman's Forum are: "Double Date" by Rosamond Jordan; "Hospital Zone" by Mary Stolz; "Ticktock and Jim" by Keith Robertson; "The World's Great Operas" by John Tasker Howard; "Groucho and I" by Groucho Marx; "Gone With The Wind" by Margaret Mitchell; "Rebecca of Sunny Brook Farm" by Kate Douglas Wiggin; "Beautiful Jod" by Marshall Saunders; "The Secret Garden" by Frances Burnett; "Home Medical Adviser" by Morris Fishbein, M.D.

The Library is open from 9:30 until 11:00 a.m. each day except Friday and patrons are urged to use the facilities.

Hamlin Invaders To Play Lamesa Lobos Sunday

The Hamlin Invaders will meet the Lamesa Lobos at the Hamlin High School ball park Sunday May 29 at 3:00 p.m. with Hooking Bull as opening pitcher.

The Hamlin boys met Lamesa there May 8 with Lamesa coming out on top with a score of 9 to 8 after 11 innings. The teams were tied at the sixth and the tie was not broken until the eleventh.

The Invaders played the Odessa Hornets here May 22 with the Invaders winning 1 to 3. Willie B. Jones and J. B. (Buddy) Haley were pitchers.

The Invaders scored one in the bottom of the sixth and 2 in the eighth. Roy Lee Sneed got three hits, Cloyde Bolden 1 and Ollie Roy Sneed 2 for 1. Andrew Sparks is manager

THE HAMLIN HERALD Thursday, May 26, 1960

of the team with Cloyde Bolden as captain.

Other players are Willie B. Jones, Roy Lee Sneed, J. B. Haley, Ollie Roy Sneed, David Wortham, Billy Ray Turner, Larry Marshall, John C. Marshall, Albert Coleman, Alvis Rucker, Jack Breedlove.

Patty Bigham to Attend Convention

Patty Bigham has been elected a representative of the Nazarene Young People's Society to attend the Nazarene General Convention which will be held in Kansas City June 16-18.

Patty, daughter of Mrs. Thomas Bigham, was chosen from 2000 young people of the Abilene district.

Tree farms in the Pacific Northwest contains more than 100 species of trees, 23 of which are of major commercial importance.

WHEAT HARVEST UNDERWAY IN FAIRVIEW COMMUNITY

By Mrs. ELMER JOINER
Family night for Fairview Baptist Church was postponed from May 25 to June 1st as the men are all so busy combining.

The men of the church hauled off the scrap paper, which the women had gathered up on Thursday of last week. Seventy eight hundred and eighty pounds was carried to the Celotex plant and sold. The money is to be put in the building fund, to be used in providing a kitchen and fellowship hall at the church.

Several from our community attended the graduating exercises for the eighth grade of Hamlin Junior High Friday afternoon. Nancy Ford and Sue Cromens were the graduates from the Fairview Community.

Linda Goodwin, a piano student of Mrs. Baker and Nancy Ford, student of Mrs. McCrary.

Everyone was happy to see participated in their respective recitals last week.

Mrs. John Beauchamp able to attend church services Sunday morning. Mrs. Beauchamp is recovering from eye surgery and complications.

We are also glad to report that R. M. Jones is still improving.

The old adage "A friend in need is a friend indeed" was proven true again last Wednesday afternoon when W. C. Eoff took his power-mower and cut the grass for Mr. and Mrs. R. M. Jones.

Mr. and Mrs. W. O. Gray visited in the J. H. Carter home, in the Hanna Community, Wednesday night.

Mrs. Elmer Joiner attended council for Home Demonstration Clubs in Anson last Wednesday.

Mrs. Shira of Hamlin, ate lunch with the R. M. Jones last Sunday.

Mr. and Mrs. Bill Newland went to Gatesville last weekend to carry their little granddaughter, Cathy. Her parents

of Houston met her there and she returned home after an extended visit in Hamlin with her grandparents.

Ronald Joiner, of Hamlin, spent the week with his grand parents, Mr. and Mrs. Elmer Joiner.

Combines are beginning to harvest grain in our section of the county.

Sue Cromens is spending the week with her grandparents, Mr. and Mrs. J. D. Poland.

The Wayne Hodnett family visited Mrs. Hodnett's folks in Colorado City Sunday.

Visiting in the R. M. Jones home Sunday and Sunday night were Mr. and Mrs. Medford Carter, Hamlin, Mr. and Mrs. N. W. Jones of Stamford, Mrs. Lee Dillard, Abilene, Rev. Doyle Combs, Winston Gray and Mr. and Mrs. Wayne Hodnett, Kay and Billy.

Mr. and Mrs. George Wainwright entertained a number of visitors in their home Sunday and Sunday night. They included Mr. and Mrs. Nathan Stephens and children of Odessa, Mr. and Mrs. Jack Peters and children, Stamford, Mr. and Mrs. Wayne Wainwright and children, Haskell, Mr. and Mrs. W. T. McCright, Royston and Mr. and Mrs. Lois Stevens of Rottin.

Mr. Aron Watson visited in church services at Fairview Sunday night.

Hamlin High Typing Class Increases Skill

The typing II class of Hamlin High School this year increased their skill to 50 words a minute or better. Several of the students in the class typed 60 or more net words a minute.

A dictaphone was added to the typing room and will certainly increase the employability of these students. The machine works from the standpoint of the employer dictating the letters on a belt. The typist or secretary then plays the belt and types at the same time.

Members of the class were Pat Bligham, Barbara Cheshier, Judy Ford, Joyce Gray, Kay Millhorn, Carolyn Nunley, Cynthia Patterson and Tona Seaton.

Arizona has two pioneer villages named Rok (in Yavapai County) and Roll (in Yuma County).

MISS DALLAS 1960—Miss Mary Moore a freshman at Southern Methodist University from Laredo is Dallas' entry for the Miss Texas title in July. Her talent is the Spanish dance and she presents this attractive portrait in her costume. (AP Wirephoto)

Bookkeeping Class Year Successful

The students in the bookkeeping class had a successful year and completed a practice set during the last six weeks. This practice set consisted of the complete bookkeeping cycle. A business paper was provided for each transaction, the transaction was recorded in the proper journal, posted to the ledger, and then all of the work needed at the end of the year to check the progress of the business.

Members of the class were: Jimmy Bessley, George Boren, Barbara Cheshier, William Cranford, Victor Creswell, Judy Ford, Betty Galloway, Joyce Gray, Darla Harkey, Jorene Hudspeth, Nina Jean, Delores Killian, Jennie Law, Lanita Mallory.

Danny McCurdy, Kay Millhorn, Carolyn Nunley, Cynthia Patterson, Charlene Pendley, Cherry Pritchard, Ann Rabjohn, Janice Richardson, Charles Scott, Sharon Sims, Frances Smart, Steve Stephens, Montie Wade and Nell Walden.

PIPERETTES PICK CAPTAINS FOR NEXT YEAR

Zoan Winegeart and Jeannette Jenkins have been selected captains for the Hamlin Pipers for 1960-61. Zoan, a senior and Jeannette, a junior, were selected last week at the gymnasium.

An intersquad game was played at the gym Saturday evening with players from the high school varsity and the junior high district squad comprising the Green and White teams.

The Green team won by a score of 43 to 41.

The Green team included Jeannette Jenkins, Zoan Winegeart, Laguna Weavers and Suzanne Jenkins, all varsity team players; junior high girls were Diana Bond, Anna Adams, Judy Fitzgerald and Caron Knable.

The White team was made up of Barbara Lakey, Cheryl Brown, Phyllis Scarborough, Billye Blankinship and Julie Daniels, junior high girls and Charlene Berry, Arlene Waldon, Mary Deb Rountree, Mary Beth Hall, Janice Wilgus and Janice Ueckert from Senior high.

NEWS FROM YOUR BCD

By ORVILLE D. ROLAND, Manager

Most people believe the only function of the Board of Community Development is to shake hands and drink coffee.

There's a lot of both going on but that's only a small part of the function. Coffee drinking is more of a business than what appears on the surface.

Most of the time, businessmen and others alike, are busy people and welcome a break in their routine. It is then that the BCD can talk community problems and relax at the same time.

Then, too, when someone is needed to do a job, chances are they can be found in the coffee shop. If that isn't reason enough, this writer just plain likes coffee.

From the calender of events on my desk—May has been a rather busy month.

The Agriculture and Livestock Committee headed by R. L. McClung, had the first meeting scheduled for May 2, but cancelled to let this writer help publish a newspaper in Merkel due to the untimely death of its publisher and former partner, who was killed in an auto crash near Boyd's Chapel.

Activities for the week of May 2, were nil as far as the BCD is concerned.

Monday, May 9, saw representative group from the BCD and school attend Commissioners Court in Anson to support a program for paving Farm-to-Market Road northwest of Hamlin.

Tuesday was Jaycee night.

Wednesday Max Brundage and West Texas Utilities Company was host to Carl Murrell, John Howard Jr., Arlie Cassle, Fred B. Moore Jr., W. T. Johnson and myself at a Community Development Clinic in the guest house at Lytle Shores in Abilene. A lot of inspiration and "know how" was gained by all.

Thursday - Trade Development Committee, headed by C. L. Howard, met and discussed Pied Piper Day Drawing. It was decided by the committee to discontinue the drawing during summer months. The committee also made plans for a barbecue and ribbon cutting ceremonies at the dedication and opening of bridge on new FM Road to Old Glory. A tentative date was set for June 29.

Friday night was open except for softball games.

Monday, May 16, plans to attend West Texas Chamber of Commerce directors meeting in Abilene were cancelled due to death of friend in Hamlin. The directors met in the BCD office and heard proposal for encouraging street paving in Hamlin on time payment arrangements with city and local bank. The directors approved the plan.

Other business discussed was the need for obtaining a Master Plan for Hamlin and to hasten the process as rapidly as possible. The board approved motion to present paving proposal and the Master Plan to the city council for action.

Tuesday the street paving proposal was presented to city council at their regular meeting and was adopted by a resolution. The Master Plan proposal was also presented, but no action was taken.

Somehow Wednesday night slipped by without a meeting and this writer spent some time getting acquainted with his family.

Thursday was graduation night and pictures had to be taken of honor graduates, winners of the Industrial Essay Contest, etc.

Friday night was the Jaycees Charter Night Banquet and this writer witnessed one of the most outstanding pieces of work ever turned in by young people of this community.

The saying that "People who make history have no time to write it" is very true. Hamlin leaders are making history and I have the privilege to write about it.

This is a small part of the job of a Board of Community Development manager. The rest of the time he is busy compiling statistics, gathering information, and drinking coffee.

ATTRACTIVE WARDROBE CAN BE MADE FROM COTTON BAGS

Nowadays a weekend jaunt can assume the proportions of a real vacation.

For a busy career girl or fun-loving coed, it may be a three day visit with friends, a trip to a nearby city, or a quiet outing in the country. But even if the vacation is short, the "what-to-wear" question can pose a problem if the clothing budget is limited.

It's possible to have an attractive wardrobe without undue strain on the pocketbook, however, if you make it from cotton bags. Women in rural areas obtain this handy sewing fabric when they buy feed, flour, and other products packaged in cotton. City girls often can buy the empty sacks from suburban feed dealers.

If the word "sack" conjures visions of drab, tentlike garments, it's time for a little re-education. Today, biscuit mixing and chicken feed come garbed in exotic floral prints, neat pin stripes, demure checks, bold plaids, and many other patterns designed by leading textile artists. And modern sacks have the traditional freshness, comfort, and wearability of all cotton fabrics.

Besides its economy, cotton bag sewing offers another opportunity that any talented seamstress welcomes — the challenge of transforming prosaic sacks into smart, individualized apparel.

It's simple to prepare sacks for sewing. Just turn them wrong side out, clip the inside seams, unravel the threads, and remove brand names with warm soapy water. Dry and press the fabric, and you're ready to sew!

Since only three or four matching 100-lb. bags are needed for a full-skirted summer frock, you won't have a

save a huge stack of sacks for a weekend's worth of apparel. The National Cotton Council suggests the following selection for a varied three-day vacation.

1. A basic shirtwaist dress. Shirtwaists are favorites with well-dressed women for traveling, shopping, or sight seeing, for they can look casual or be dressed up with tailored hats and gloves. One of the latest bag prints is a striped paisley design that's especially suitable for this style.
2. A skirt or jumper and blouse. This combination, so indispensable to the young, is appropriate for any age group. A figure-flattering sheath jumper, worn with its own crisp white blouse and comfortable flat shoes, is a becomingly afternoon activities.
3. A sports outfit. Unless your weekend is spent in the city, you'll probably need at least one sports outfit. Jamaica shorts (a length that's flattering to most figures), made from natural-colored osnaburg sacks are both smart and comfortable when teamed with a blouse in a harmonizing print.
4. A cocktail frock. An informal but festive dress for dinner, parties, and dances also is essential. You'll find that a becomingly-styled sheath, perhaps in an impressionistic floral bag print, is an ideal choice for evening.

The basic wardrobe, or a similar one designed to your particular tastes and preferences, will give you an example selection of all-occasion fashions that fit easily into a single suitcase. And you'll have the satisfaction of achieving a fashionable appearance at a modest price.

The items you make from cotton sacks may help you to win prizes as well as save money. Exciting awards, including free vacations in Hollywood, will be given to winners in this year's National Cotton Bag Sewing Contest. Further information on the competition is available from the National Cotton Council, Box 9905, Dept. V, Memphis 12, Tenn.

New Jersey crop land yields more cash per acre than that of any other state.

THE HAMLIN HERALD Thursday, May 26, 1960

STRICTLY BUSINESS by McFeatters

"So far his do-it-yourself repair kit has cost us \$210.89!"

HIGHLIGHTS AND SIDELIGHTS

AUSTIN, TEX.—Gov. Price Daniel's money raising proposals indicate many of next year's tax battles will be fought on familiar terrain.

Basic program submitted by the governor to the State Finance Advisory Commission is the same as the one he submitted in 1959. Even the total goal is nearly the same.

In 1959 the Legislature passed a bill aimed at raising \$185,000,000 in new money. Gov. Daniel estimates 1961 new-money-needs at \$193,000,000. This is to cover an expected deficit of about \$68,000,000 and increased annual spending of about \$62,527,000.

To raise this money, the governor suggests revising the corporation franchise tax formula and increasing the liquor tax, gross receipts on utilities and the auto sales tax. He also suggests passing the abandoned-property act (allowing the state to take over unclaimed bank accounts, property, etc.) and putting a tax on beer and cigarettes sold on military bases.

Governor Daniel also told the commission of four other tax ideas which he said had been suggested by others.

These include:

1. A 10 per cent increase on all items in the Omnibus Tax Bill except cigarettes, tobacco and franchises.
2. A 1-cent-a-gallon increase on gasoline tax.
3. A tax of 1 cent per thousand cubic feet on the processing of natural gas.
4. A 3 per cent tax on gross receipts of gas pipeline companies.

Governor Daniel said he knew his proposal would be criticized as "riding the same old horses." But he said the affected tax sources would not be taxed any heavier than those in neighboring and competing states.

Finance Commission is to begin committee work this month and hold another joint session of its 34 members — all leaders in their fields — in June.

TAX EXEMPT SALES JUMP. Texas apparently is losing some tax revenue through sale of tax exempt cigarettes on military posts, reports State Comptroller Robert S. Calvert.

Calvert told the State Finance Commission that since the state tax increased to eight cents a pack last year, cigarette sales at federal installations have jumped almost a million packs a month.

He said sale of tax exempt cigarettes in March, 1960, was up by 1,500,000 packs over what it was in March, 1959. Military officials denied that non-taxed cigarette-selling-privileges had been abused.

DEMO HOUSING PROBLEM—Austin hotel and motel facilities will be stretched beyond capacity when an estimated 5,000 come here June 14 for the State Democratic Convention.

It's more than Austin can accommodate. To ease the problem a little, the State Democratic Executive Committee has ruled that no room reservations will be made for persons living within 75 miles of the Capitol City.

Also in preparation for the big day, SDEC has named a credentials committee whose job will be to decide which delegates shall be admitted.

Four counties had "rump" conventions and will send two rival delegations to Austin. Governor Daniel, poo-pooing the "rump" groups, said they were too small to be a threat to the official delegations.

"There is more harmony in the Texas Democratic Party now than ever before," said the governor.

BEAUTIFUL MAPS READY—Texas' new 1960 official highway map, illustrated with 11 dramatic full-color pictures, now is available for the asking.

It's not only handsome, but informative. It shows the 1,933 miles of multi-lane divided highways not completed. Also, 26,378 miles of state and U. S. highways and 20,000 miles of farm-to-market roads.

Lakes, state parks and roadside parks are indicated. Texas' history, geography and present opportunities are summarized.

In line with the state's tourism-seeking policy, it is headed, "All of Texas Welcomes You."

To get the map, write the Texas Highway Department, Austin 14, or drop by a highway district office and travel bureau. County tax offices have cards on hand to request maps.

OIL ALLOWABLE UP—Texas Railroad Commission retained the eight-day production pattern for the Texas oil

industry for June, but because June has one day less than May, daily permissible production will be slightly higher.

Statewide allowable for June will be 2,643,516 barrels a day, a 47,108 barrel a day increase from May.

Several major oil companies asked the Commission to set nine producing days in June, indicating they expect an increase for Texas crude within the next month.

REPAIR FUNDS OKAYED—Legislative Budget Board has approved transfer of \$75,000 for repair work at the Big Spring Hospital, Abilene State School and Mexia State School.

Board also heard a report that a state job classification study, detailing requirements for 1,225 different jobs, is nearing completion.

MED SCHOOL MONEY SOUGHT—A new money request awaiting the Legislature next year will be that of the University of Texas for \$100,000 for the planning of a new medical branch in San Antonio.

UT Regents said the money would be used to get specialists in medical center planning to estimate what would be required. With this information the board could draw up plans and a request for funds for the center itself from a later legislature.

Michael Bond Elected President Student Council

The Hamlin High School Student Council met Tuesday, May 17, and elected officers for the 1960-61 school term. The student body elected Michael Bond, president; Ann Rabjohn, vice president; Nina Jean, secretary-treasurer; Jerry Smith, parliamentarian and Mary Smith, reporter.

New representatives are Sue Johnson, Freddy Shave, Mark Smith and La Verne Williams.

All members were present for the meeting.

Mrs. Eula Gollehon from Whittier, California, spent ten days with Connie Drake and his sisters, Maude and Della Drake. Mrs. Gollehon's son, Bobbie, is touring the United States and came for her before going to visit in Oklahoma and Arkansas.

Rodney Spaulding Receives BA Degree From ACC in Bible

Two Hamlin Boys Listed in Texas Tech's Graduates

Rodney Spaulding of Hamlin received a Bachelor of Arts degree in Bible with a minor in Greek at graduation ceremonies at Abilene Christian College, Monday, May 23.

The son of Mr. and Mrs. R. T. Spaulding, 213 N. Central Avenue, Hamlin, he graduated from Hamlin High School in 1956.

During high school Spaulding took an active part in sports, dramatics, debate, glee club, band and served as an officer in his class, student council, annual and paper staffs, and was a member of the national honor society.

Spaulding has taken part in the activities of the local Church of Christ, serving as songleader, young people's director and teacher. He has also filled the pulpit here and has preached in other churches.

At ACC he was a member of A Cappella. During the summer he will sell Bibles in the Northern United States and then in the fall will do graduate work at ACC in preparation for his master's degree.

He later plans to become

More than 900 will be graduated in the Class of 1960 from Texas Technological College in Lubbock in commencement exercises which are scheduled at 8 p.m. Monday, May 30.

Kenneth Sye Ballew of Hamlin is to receive a Bachelor of Architecture in design option. He is one of 254 candidates for the School of Engineering.

The son of Mr. and Mrs. S. C. Ballew, 414 N. Central, Hamlin, he has accepted a position with an architectural firm in Portland, Oregon.

Also listed among the graduates at Texas Tech is Jackie Wayne Drummond, a 1955 graduate of Hamlin High School who finished his college work in January. Drummond, the son of Mr. and Mrs. G. W. Drummond, is now a second Lieutenant in the Air Force

and is stationed in Florida. Drummond holds a Bachelor of Business Administration in industrial management.

Eight Duroc Gilts, One Boar Awarded Jones County 4H

Eight registered Duroc gilts and one boar were awarded to Jones County 4-H Club members in Anson on May 17, according to county agent, Kirby Clayton.

The swine program, sponsored by the Sears-Roebuck Foundation, is designed to help club members get a good start in a swine raising project. The agent will supervise the club members in their swine feeding projects.

The boar was awarded to Danny Harber, Anson. Gilts were awarded to Carolyn Bagley and Cindy DeBuske, Anson, Gayle Bagley, Jajuan Rister and Rodger Carnes of Hawley, Bob Tabor, Glenn Burkman and Boyd Hodges of Lueders.

CLOSED

Memorial Day

Monday, May 30

The day we pause in silent meditation... as cannon and rifle issue their sharp, penetrating salute... and somber, bugled hymns to fallen heroes drift across the nation. A time to remember — and resolve for the future. Let us resolve now to take greater interest in the business of being Americans... in the future of our government... to vote (and think before we vote) at every election... to make America stronger, freer, greater! This is the salute they would prefer us to give them on Memorial Day

In due respect this bank will be closed all day Monday, May 30, in observance of Memorial Day. Please arrange your banking business with this holiday in mind.

Mercury's the better low-price car and you can prove it!

ADD UP MERCURY'S EXTRA VALUES: Just stop in at our showroom and see the proof firsthand. Open the front door of a Mercury—it's up to 5 inches wider than other low-price cars so you can get in and out that much easier. Slide into the front seat. Notice how the instrument panel has been moved far forward. What other car gives you this feeling of spaciousness? Now accept our invitation to go on a private demonstration. Notice the steady, silent smoothness of the ride. That's because Mercury has a 7-to-8-inch longer wheelbase than other low-price cars—is up to 494 pounds heavier, and has far more sound-proofing all-weather insulation.

Try the brakes. They're up to 26% larger in a Mercury. Notice the view. Mercury's windshield and windows give you up to 21% greater visibility than other low-price cars. Now, for the best news of all, just keep on reading...

COMPARE MERCURY'S LOW PRICES: prices start \$63 to \$66* below even the lowest-priced V-8 powered Plymouth Fury or Chevrolet Impala!

And we're not talking about a "stripped" Mercury. This price comparison is based on a deluxe-appointed Mercury Monterey with luxurious nylon interior and thick wall-to-wall carpeting. So why settle for less? Get all your money can buy with Mercury—the better low-price car.

*Based on comparison of manufacturers' suggested 1960 retail base prices for lowest-priced V-8 models.

Hamlin Group Takes Fishing Trip

A group of Hamlin men spent the first part of last week at Lake Stamford where they rented a cabin and fished for bass.

Gene Knabel, B. O. Bell, Jack Russell, Bob Riddell and M. L. Smith, spent three days on the lake where they caught 28 bass averaging about three pounds each.

On Tuesday evening Charles Connally, Bill Harbert, D. C. Andrews and Dewain Stallcup joined the group for a fish fry.

THANK YOU — Thank you from the bottom of our hearts. We wish we could tell each one of you just how much we appreciated your kindness, your thoughtfulness, your true deep concern, for the food you brought in, for the phone calls, the wires, the letters — The expense some of you incurred in taking off and coming to us with your offers of help. Then the response of the whole community at the funerals, the flowers — the way most of you had to stand in the heat.

One out of town visitor who was with us most of the time just summed it up with the statement "All this kindness and response could only happen in a town that is basically all heart."

COMMERCIAL and lawn fertilizer, weed killers, bug killers, peat moss, garden seeds and garden supplies — Pied Piper Feed Mills, East Lake Drive, phone 168. 26-tfc

FOR A LAWN that can "take it" all summer, start a regular maintenance program now. Build a thick, close turf, one that resists weeds and stays green—even in the hottest weather. Feed your lawn. Thriftily, well fed turf discourages weeds, stands up better in hot weather and requires much less water. Apply an inch of water once a week, using a sprinkler for even distribution. For further pointers on lawn care consult Pied Piper Feed Mill, phone 168. We have treated fertilizer that controls grubs. 24-tfc

NOTICE: NO FREE FISHING in Jim Anderson's tank. There will be a \$1.00 charge for everyone. No drinking. 29-3p

CHURCH OF CHRIST SETS DATES FOR VACATION BIBLE SCHOOL

Dates for Daily Vacation Bible School at the Church of Christ have been set for May 30 through June 5. A picnic is scheduled for 10:00 a.m. Saturday, May 28, when all those who plan to attend V. B. S. are to bring a sack lunch and meet at the church for a short program before going to the park for the picnic.

Activities for the V. B. S. began at the Church several weeks ago when the V. B. S. committee was selected. The committee selected "Living For Jesus" for the theme, and since that time many have worked toward having a successful school.

Elvin Kelly, high school teacher, is chairman of the V. B. S. Committee and Director of the school. Department heads were selected to include Hazel Kelly for the Pre-school Joy Smith for the Primary, Herb Smith, Junior and Intermediate and Elvin Kelly,

junior high and high school. There will not be any adult classes.

Teachers have been having weekly meetings and workshops to plan and prepare classroom lessons, handwork, and projects.

Herbert Smith, minister, states that everyone who plans to attend V. B. S. is invited to the pre-enrollment picnic Saturday. Each one is to bring a sack lunch and drinks will be furnished.

Classes will begin at 9:00 a.m., Monday, May 30 and will dismiss at 11:00 a.m. each day. The V. B. S. will conclude Friday night with a program and an open house. Parents are urged to attend this program.

Visitors are welcome to attend the school as well as the program.

FIRST BAPTIST BIBLE SCHOOL STARTS MAY 30

The First Baptist Church Vacation Bible School will be conducted May 30 through June 8 with classes from 8:30 to 11 a.m.

Mrs. Bill Shira will be principal of the school and classes will be held for ages 3 through 16.

Rev. Lenard Hartley, pastor, will give the character story each morning for the juniors and intermediates.

Department superintendents are Mrs. Joe Hudspeth, Nursery I; Mrs. Troy Austin, Beginner I; Mrs. Vernon Sharer, Beginner II; Mrs. F. L. Nixon, Primary I; Mrs. Elbert Payne, Primary II; Mrs. La Foy Patterson, Primary III; Mrs. Jack Ferguson, Junior I; Mrs. Leon

THE HAMLIN HERALD

Thursday, May 26, 1960

Moore, Junior II, and Mrs. Aaron Wells, Intermediate. Commencement exercises will be held Wednesday evening June 8.

ASPERMONT AWARDS TWO FOR SERVICE

"Outstanding Citizen" and "Adult Youth Leader" were named Monday night at the first annual Aspermont Awards banquet.

Ralph Riddel was announced the top citizen and Charles Abenathy the youth leader at the dinner sponsored by the Kachina Club and Aspermont Luncheon Club.

Orville Roland, manager of the Hamlin Board of Com-

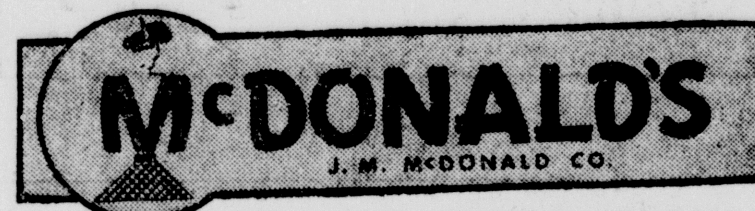

munity Development, was the guest speaker for the occasion. He followed the theme of the banquet in his speech "Aspermont in Wonderland." He told the crowd that a community must have three things to succeed, imagination, initiative and invention.

Lowell C. Welch, publisher of the Aspermont Star, was master of ceremonies.

Mrs. B. G. Cook Jr., was installed as president of the Kachina Club and Raymond Jackson was crowned president of the luncheon club.

Forests of the United States are now growing more wood than is being removed by harvest and by loss to fire, insects and disease.

Americas bought 69 billion dollars of life insurance policies in 1959, says the Institute of Life Insurance. This is more than three times the purchases in 1949.
